

2019 Skills Training for CLS, Respite & SD Staff

This one day training is dedicated to learning the skills necessary for CLS and Respite work. Participants will learn medication uses, side effects monitoring and documentation. Seizure care as well as feeding and swallowing will be topics covered in this class. Participants will learn basic vital signs. There will be an emphasis on the Person Centered Planning process and the staff's role in documentation.

**All sessions are similar in content and are from
9:00am until 4:00pm on Thursdays, unless specified otherwise.**

Sign-in begins from 8:15a-9:00a. All trainings will start promptly at 9:00 AM.

MCCMH Mission

Guided by the values, strengths, and informed choices of the people we serve, Macomb County Community Mental Health provides an array of quality services which promote recovery, community participation, self sufficiency, and independence.

This training does NOT accept registrations.

FIRST COME, FIRST SEATED.

PLEASE NOTE: Due to parking lot accessibility, trainees may park in the back lot, but must enter the lot off of Beattie Street. Trainees need to walk around the building to the East entrance.
