

MCCMH Presents:
Part of the Integrated Care 2020 Training Series

HEALTH ISSUES RELATED TO GERD AND CHILDHOOD OBESITY

The goals for this training include:

- Increase staff knowledge of GERD
- Increase awareness for staff on current treatment trends for young individuals diagnosed with obesity.
- Increase staff's ability to create SMART objectives and specific interventions within the Individualized Plan of Service focused on Integrated Care for Individuals with a GERD or Obesity diagnosis.
