### Training for Staff Hired through Self-Determination:

Staff hired through self-determination arrangements must be qualified providers. The following grid details the free or low cost required training for qualified staff hired through self-determination. If staff do not meet the minimum training requirements, the fiscal intermediary will not be able to pay the staff with the self-determination budget dollars. It is the responsibility of the Employer of Record and /or Managing Employer to track training.

Training identified as new goes into effect for staff hired on or after December 1, 2019. Staff hired prior to December 1, 2019 have until March 1, 2020 to complete the new training. Where more than one source can be used to meet the training it will be noted for your consideration.
