Clinical Assessment: Assessing Clients with Co-Occurring Disorders

July 20, 2020 9am – 4pm Webinar on ClickMeeting

MCBAP Approved for 6 CEU's (Specific)

Goal:

Participants will develop an understanding of the purpose for clinical assessments in treatment for clients with co-occurring disorders, the skills for conducting assessments and utilizing the information to conceptualize clients for the purpose of developing a person-centered plan of treatment.

Objectives:

- Identifying the purpose of the Clinical Assessment
- Defining the role of the clinical assessment in the treatment process for persons with co-occurring disorders
- Developing rapport for the clinical assessment
- Conceptualizing the client with the Psychosocial assessment
- Identify strategies for navigating an agency assessment
- Identify ways to avoid common errors in the assessment process
- Interdisciplinary teams
- Sample report review

Continuing Education Credits: Credits are for full attendance at the program.

MCBAP approved courses are an accepted form of Continuing Education Credits for all levels of Psychology in Michigan. For other professions, please save your course outline and certificate of completion. This information can be used to contact the applicable board for information regarding Continuing Education Credits.

Transfers: If you are unable to attend the session you are registered for please call the registration office to inquire about transferring your registration to another seminar location and date.

Attendee Cancellation: Transferring registered attendance to another program is permitted. Failure to attend the scheduled program for the duration of the scheduled program will result in forfeiting your registration fee. Cancellation must be received in writing 10 business days prior to the program for a full refund.

Foundations Cancellation: In the unlikely event that a program cannot be held (e.g., inclement weather), a full refund or transfer of registration to another program will be offered.

Accommodations: To ensure arrangements for special accommodations written requests for accommodations must be received 10 business days prior to the program. Attempts for on-site accommodations requested with less than 10 business day notice will be made; however, are not guaranteed.
