About Presenter Angela Curtis, MA, TLLP: Angela has a Masters Degree in Arts From The Michigan School for Professional Psychology. Angela began working at Macomb County Community Mental Health as a Case Manager at First Resources North. Angela then moved to the Administrative Department and assisted with the Self Determination Program and Corporate Compliance. Angela is now a part of the Workforce Development team in the CSI Department and facilitates training for Macomb County staff, and Direct Service Professionals. Angela facilitates training such as Introduction to DSP, Working With People, Nutrition and Environmental Emergencies. Angela also facilitates training for Nonviolent Crisis Intervention (CPI), and First Aid and CPR (A-1 Health and Safety).

About Presenter Laura Hitzelburger, LMSW, CAADC: Laura has worked with severely mentally ill children, adolescents and adults and the substance use population for over a decade in an outpatient setting and correctional medical environment. Her roles have included Case Manager, Therapist and Crisis Interventionist where she actively provided treatment and coordinated care with interdisciplinary teams. As the Training Coordinator for MCCMH, Laura's focus is developing and coordinating trainings that are directed at meeting current system needs, while exploring ways to enhance future initiatives.
